Subject: ROD verbiage and next steps
Importance: High

Hello Kathy,

Here is the information in the ROD that is still being reviewed but I am not expecting this language to change. Section 3.1 is wording from the ROD pertaining to the Decision and section 9 talks in-term of the required steps needed after the decision is signed and before a Mine Plan of Operation is generally approved.

3.1 Decision for the Rosemont Copper Project

approve the final MPO once the following three criteria have been met.

9.1.1 Submittal of Final MPO with ROD Requirements

The proponent will submit a signed, revised MPO that incorporates all of the requirements, design features, and
